

Corporate Governance Statement 2011

SRV Group Plc's corporate governance is based on Finnish legislation, SRV Group Plc's Articles of Association and the 2010 Finnish Corporate Governance Code for listed companies, with the exceptions specified below. SRV Group Plc's shares are listed on NASDAQ OMX Helsinki and the company observes the rules and regulations concerning listed companies that have been issued by the stock exchange as well as the regulations of the Financial Supervisory Authority.

SRV Group Plc follows the 2010 Finnish Corporate Governance Code for listed companies, with the exceptions noted below. The company reports that it deviates from the 2010 Finnish Corporate Governance Code for listed companies in the following respects:

1. The company does not follow Recommendation "9 Number, composition and competence of the directors" of the Corporate Governance Code, which states that both genders shall be represented on the Board. In connection with the preparations for the 2011 Annual General Meeting, the Nomination and Remuneration Committee has taken steps to find a suitable female member for the company's Board of Directors. However, the Nomination and Remuneration Committee was not at the time able to put forward a candidate who would be well-versed in the company's main field of business and who would have agreed to take on the position. The company's Board of Directors consists of only male members.
2. The company does not comply with Recommendation "22 Appointment of members to the committees" of the Corporate Governance Code, according to which a committee shall have no less than three members. According to the standing orders of the committees, they shall have 2-3 members who are elected by the Board from amongst its number. According to the standing orders two members can be appointed to a committee if the Board considers this appropriate in view of the structure of the Board and the number of directors. However, in 2011 committees have consisted of three members.
3. The company does not follow Recommendation "26 Independence of the members of the audit committee" of the Corporate Governance Code, according to which the members of the Audit Committee shall be independent of the company. The Board of Directors considers it appropriate that sufficient expertise in construction, property investment and project development is represented on the Audit Committee. There have thus been good reasons for Timo Kokkila, who has acted as SRV Group Plc's Manager, Project Development, to have been appointed member of the Audit Committee. Timo Kokkila was appointed member of the Board of Directors and member of the Audit Committee of SRV Group Plc in 2010 and his employment relationship with SRV Group has ended in 2011.

The 2010 Finnish Corporate Governance Code for listed companies is available at the Internet site of the Securities Market Association, www.cgfinland.fi.

This statement is published separately from the Report of the Board of Directors.
